

circles

a single point

around a circle

a line moving through

I do not know

I cannot say

a line moving through

a circle

moving through

a line

a single point

passing through open sea

& then

a square

a daylight square

a line moving through

I do not know

I cannot say

a line moving through

a single point

around a circle

a line moving through

a line drawn

around the sky

a line drawn

around the stars

a line drawn

around the shadows

& then erased

& then erased

& then erased

a line drawn

around a circle

a line drawn

around a square

a line drawn

around another line

& then erased

& then erased

& then erased

a

line

drawn

around

a

hand

a

line

drawn

around

a

foot

I

follow

the

line

until

it

becomes

a

circle

or

a

little

spark

within

a

square

a

little

spark

within

a

triangle

a

little

spark

without

borders

a line

&

a line

&

a line

congratulations

you smell

of rain

circles

&

circles

&

circles

a line
drawn around
a pencil

a line
drawn around
a pen

a line
drawn around
a letter
a word
a sentence

a line
drawn around
itself

a line
drawn around
a tree

a circle
drawn around
the sky

A line & a line & a line & a line & a line then a circle & a star
& a circle then another line & another line & another line &
another line then a star & a circle & a star & a circle then a
space & a space & a space & a space &

a

circle

&

a

square

&

a

triangle

&

a

circle

&

a

circle

&

a

circle

&

a rectangle with a smaller rectangle inside with an even smaller rectangle inside with an even smaller rectangle inside with an even smaller rectangle inside with an even smaller rectangle inside & then

circles & circles & circles & circles & circles &
circles & circles & circles & circles & circles &
circles & circles & circles & circles & circles &

a
square
divided
into
four
smaller
squares
which
are
divided
into
smaller
squares
which
are
divided
into
smaller
squares
which
are
divided

into
triangles
&
into
triangles
&
into
triangles
that
look
like
diamonds
that
look
like
diamonds
that
look
like
diamonds

followed

by

a

broken

line

&

an

unbroken

line

then a series of intersecting lines that create a patchwork of squares & diamonds & triangles that eventually become a series of lines that no longer intersect & then

circles

&

circles

&

circles

&

circles

&

circles

A handprint
on a white surface
surrounded
by triangles
and vertical
lines

drawn in ever
decreasing lengths
towards the edge
of the visible field

eventually
meeting in a series
of parabolic curves
that diminish
into tiny marks

indistinguishable
from

full stops

& then

a question mark
followed by
a question mark
followed by
a question mark

& then

a visionary poem
full of stars
a visionary poem
dug up in the garden
a visionary poem
washed up on a beach

&

foot and mouth and hands
and eyes and head

over

line and circle and square
and circle and line

&

square and circle and line
and line and line

under

foot and mouth and hands
and eyes and heels

voice

in

blue

light

voice

in

red

light

voice

in

green

light

a recording of a recording of a recording

a voice

recorded

& then

deleted

transcribed

& then deleted

(white noise)

a hole in a piece of paper

a hole in a white wall

a hole in everything

a white white wall

a piece of paper

a hole in everything

& then

a straight line

across an empty

page

from one side

to the other

& then

circles

&

circles

&

circles

a hole in everything

a white wall

a piece of paper

a hole in everything
